SHARING SUCCESSES & PROMISING PRACTICES (11:45-12:20)

Since the Coalition kick-off in August, members have heard success stories from a representative in each priority area. This month's meeting features the Executive Director of FAVOR Greenville, Rich Jones, MA, MBA, LCAS, SAP, who is sharing their promising practices. Founded in 2004 FAVOR Greenville utilizes a peer recovery coaching model to serve over 17,000 individuals in need of support surrounding substance use disorders. Located in Greenville County, FAVOR Greenville serves the entire Upstate with satellite programs in 20 locations including Spartanburg and Laurens Counties. FAVOR Greenville has assumed a leadership role nationally in the recovery services space having been named a Model Program and Center of Excellence by SAMHSA in November of 2017. In addition, the FAVOR Greenville model has been featured in testimony to congress on the opioid epidemic in 2016 and 2018. This presentation will review the FAVOR Greenville program. The importance of independent recovery supports within the continuum of care will be emphasized and explored in an effort to raise awareness of this vital service.

PRIORITY AREA WORKGROUP REPORTS (12:20-12:30)

- Substance Use Disorder Prevention and Treatment
- Crisis Stabilization/Acute Care Management
- Behavioral Health/Primary Care Outpatient Alignment
- Data Analytics and Informatics
