7. Unity of resources	Uniting 301 and MHC director's for more cohesion	Issue to be updated to Crisis Stabilization intervention service/program array options.
8. Communities Quality of life	Query rural communities on current crisis/ quality of life programming.	Issue to be updated to Crisis Stabilization intervention service/program array options.
9. Resource Mapping	Potentially the College of Social Work could assist. Interns could collect data, information on public health programs. USC and MUSC would be great candidates.	Issue to be updated to Crisis Stabilization intervention service/program array options.
10. MHFA/ Mental Health First Aid	Spartanburg, Aiken, Darlington, Florence (MHA and SCDMH offer these trainings).	Issue to be updated to Crisis Stabilization intervention service/program array options.
11. MCO/ Managed Care Organizations	MCO is a resource. Look further into care coordination.	Issue to be updated to Crisis Stabilization intervention service/program array options.
12. SCBHC Attendees: Crisis Stabilization Sub-committee	Who is missing from coalition meeting? Who should be present?	Follow-up with relevant sources that can assist in intervention service/ program array options.
13. SCHA Follow-up	What's happening with mapping?	Follow-up with relevant sources that can assist with mapping resources.
14. Benefits that are available	SOAR, SNAP	Issue to be updated to Crisis Stabilization intervention service/program array options.

15. Crisis Stabilization updates	Look at adding specific models, look at resource mapping along with costs and partners.	Issue to be updated to Crisis Stabilization intervention service/program array options. Who's donating? A charity tracker would be great.
Next SCBHC Meeting	8/23/2018 1000 Center Point Road in Columbia, S.C.	Minutes by Debbie Blalock/ Tiffany Brown

Updates

Expanding telehealth – maybe look at bringing resources together specifically for each community. People will be more interested.

Next Steps

Target specific areas to look at providing services (specifically areas of need).

Add a marketing aspect. This should consist of materials like photos etc.

Add Crisis Stabilization information and resources to SCHABHC website.

Identify conveners in community.

Add original nexus of committee.

MHA will sponsor committee Stakeholder group, Mrs. Joy promised.
